To Whom It May Concern,

The Neshannock Chapter of Trout Unlimited has recently established a Veterans' Service Partnership (VSP) Program to introduce our local disabled, non-disabled veterans and active duty service members to the healing powers of our waters, and with the goal of thanking them for their service and engaging them in our chapter activities.

Our VSP Program will offer free fly-tying, fly-casting, and on-the-water fishing classes to all of our veterans and active service members.

We are currently looking for sponsors to help fund or provide equipment for our service members to use during classes.

Will you please consider becoming a sponsor?

Platinum - \$5,000 – Company Logo on banner, event t-shirts, website, and in program guide

Gold - \$2,500 – Company Logo on banner, event t-shirts, and in program guide

Silver - \$1,000 – Company Logo on event t-shirts, and in program guide

Bronze - \$500 – Company Logo in program guide

Our chapter's mission is to conserve, protect, and restore the cold-water fisheries and watersheds within Mercer and Lawrence Counties through education, stream improvement projects, and teaching the area youth the importance of protecting the clean water habitats and their aquatic life.

Thank you in advance for your consideration and your support. Please call me if you have any questions at (724) 301-0482. Our 501(C) (3) Federal Tax ID # is 237355293

Sincerely,

Matt Ceremuga
